THE PHILMONT MOBILE RADIO CLUB, INC.
2113 EDGEHILL DRIVE, FURLONG, PA 18925

THE BLURB

The Great PHILMONT TRAGEDY

FOR THE DRAMATIC CONCLUSION
TO THIS TRAGEDY... SEE INSIDE

is published monthly by, and for, the members of The PHIL-MONT MOBILE RADIO CLUB, INC. whose purpose is to promote Amateur Radio in general, and Mobile Radio in particular. Copying and quoting is permitted with a credit line. We gladly exchange publications with other amateur radio clubs; requests should be sent to the Editor. BLURB subscriptions are available to non-members for \$6.50 addressed to the Treasurer. The club meets at 8 PM on the first non-holiday Monday of every month at The Franklin Institute, 20th Street and the Benjamin Franklin Parkway, Philadelphia. Use the side entrance.

ALL VISITORS ARE WELCOME!

Amateur Radio License Examinations - every meeting night at 6:30 PM-SHARP!

HELP PHIL-MONT

ARE YOU PLANNING TO JOIN ARRL OR RENEW YOUR CURRENT MEMBERSHIP? HELP PHIL-MONT BY JOINING OR RENEWING THROUGH THE CLUB...CONTACT KB3IV FOR THE DETAILS.

NEW DIRECTORY

IF ALL WENT AS PLANNED, YOUR 1990 DIRECTORY WAS INCLUDED WITH THIS MONTHS BLURB (I HOPE). ANY ERRORS? IF SO, I'M SORRY, LET ME KNOW AND I'LL FIX IT & PRINT THE CORRECTION HERE NEXT MONTH.

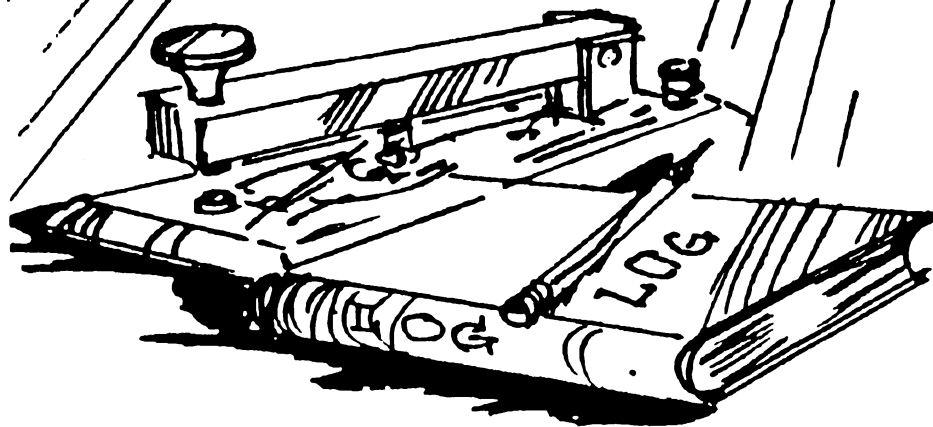

....DE WB3KOJ

So long, good-bye, farewell, auf Wiedersehen, toodleoo, adieu,
aloha, 73, ciao, arrivederci, bye-bye, adios,
hasta luego, au revoir, shalom, 88!

The following folks didn't renew their PMRC membership this year.
We're truly sorry to see them go, and hope they'll visit us now and then.
Still, we're not doing too badly; last year's roster listed 126 members; this year, 133.

The PREZ SEZ

Larry Clifford, W3UY

After much discussion of pros and cons, Phil-Mont is taking the plunge into the wild world of Auto Patch. Thanks to the generous efforts of Jim Spencer, W3BBB and his technical staff, those of us who are so disposed can now make phone calls from the mobile. Granted, there are those in the club who are delighted, some who have serious reservations, and finally some who either think it is useless or have little intention of using it. Be that as it may, we have a phone patch, so let's see if there is a need for it, and if the users are willing to pay its costs.

Emergency calls to police, fire or rescue are now at our fingertips. A call to someone, for reasons other than business, is also now possible.

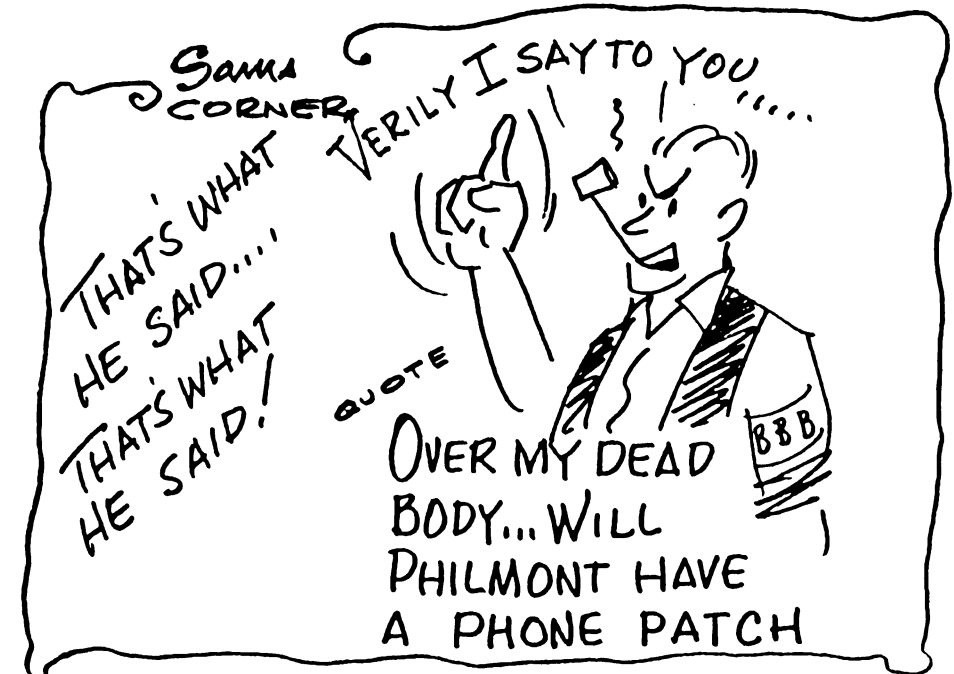

But with any benefit, there is a cost. How much will the phone patch cost the club? How will toll charges be assessed to the user? After all, the person causing an expense should assume the responsibility of that cost, i.e. toll charges and maintenance costs.

So that the Club's Board of Directors might get a better handle on the actual use and cost of the phone patch, it will be available for the use of all members for the next 60 days

without any user charge. The access codes will be made available for this period. After the free time has expired, the Board of Directors will determine how to finance the patch, if it is to be continued. Who knows, there may not be enough serious use of the patch to make its continued use worthwhile. Whether the club will have a special charge for those members who want to make use of the patch, and give only to them the necessary codes to access the patch after the 60 days, or some other system to offset the cost of operation, has yet to be determined. Club membership comments on this point are necessary and will be welcomed.

During the next 60 days, use the patch reasonably. If you should incur unusual toll charges during this free time, expect to be billed for the charges. The free use means that the users will not incur any maintenance costs for using the patch during the 'free' time.

Try it out, and as you do so, determine in your own mind the extent to which you will use it, and how willing you will be to accept the additional cost for this feature being added to our repeater. Again, your comments and views are needed.

Dear Editor,

As a resident of Naples, Florida I don't get the opportunity to attend the Phil-Mont meetings, and to see some of my "old" ham buddies like I did in the past. However, I enjoy reading the BLURB each month, which keeps me informed on what is going on in the Phil-Mont "circle".

The enclosed article in our local newspaper notes the winter activity in Florida of one of our "very own": Russ Miller, K3NYN.

73s, Ned Schlichting, N2EMN

PHILADELPHIA RESIDENTS HEAR ABOUT NAPLES REAL ESTATE

By CLAY W. CONE, NAPLES DAILY NEWS

Live from the Naples Area Board of Realtors (NABOR), it's "Saturday Morning Live!"

Residents of Philadelphia got the low-down on Naples area real estate during a four hour radio talk show broadcast Saturday from the NABOR offices on Pine Ridge Road.

Russ E. Miller, a Realtor and broadcaster for WWDB-FM 96.5 in Philadelphia, hosted the talk show which focused on "Real Estate and Housing Counseling."

Miller, 63, hosts his own radio talk show each week from Philadelphia. But during the winter season, he regularly takes his show on the road to various housing markets in Florida. This is the first time the show was broadcast from Naples.

NABOR President Richard Clemmer, who has his own local radio talk show, co-hosted the program.

Clemmer said the program served as another beneficial method of marketing Naples area real estate to prospective buyers in other parts of the country.

"Anytime you can have exposure for the community, let people know what we're all about, you're doing something good," he said. "Some good PR never hurts us."

Ed Oates, executive vice president of the Naples Area Chamber of Commerce, agreed.

"It's always a plus to convey some of the charm of the area, and what a nice place it is to live in to folks in other areas," he said.

Oates was the sole representative on the panel representing the business community.

The talk show was broadcast live to thousands of listeners in the Philadelphia area. Listeners were able to call directly to the board via the radio station with questions pertaining to Collier County real estate and the area in general.

REPEATINGS

The fifth edition of the Volunteer Examiner Manual is now shipping from the ARRL... The ARRL has approved a \$5 dues increase - 9 years since last increase... Grandfathers: buy your kids a house if you want them to move back from California... Tombstones are rocking in Ardmore... Jake's latest challenges: DOS; modems; subdirectories.

MORE BELLS AND WHISTLES

Jim Spencer, W3BBB

Phil-Mont has completed installation of a UHF repeater linked to our '03 machine. It operates on 449.8 in/ 444.8 out (frequency coordinated), and requires a sub audible tone of 186.2 Hz for access. Power out is 22 watts at present (projected output 55 watts) with 1/2" hardline to a Hustler G6-440 antenna. There is no PL tone on the output. The RF deck is an RCA TAC 200 similar to our VHF equipment. Our RC 85 controller, common to both systems, provides all the bells and whistles for both bands (Time, TT Pad

test, patch, etc.) The only change is the addition of a 600 cycle tone ahead of the normal courtesy chime whenever the input is from UHF. Receiver audio is summed - there is no priority. Transmitter audio is common to both bands.

System receiver sensitivity leaves a lot to be desired at present, but we're working on it. The antenna is 470 ft. above sea level, with a height above average terrain of 247'. This should offset some of the RF hash at our site. Reports on reception and/or use are welcome.

CoreStates
CHAMPIONSHIP

PHILADELPHIA

YOUR NAME

NAME

PHILMONT RADIO CLUB

REPRESENTING

We want to put your name on this badge!

Volunteer early to help with the CoreStates Bike Race on June 17. Your help will be essential to continue the success of this race.

If you find that you cannot be available for the race on the 17th, we have also been asked to help with the Freedom Valley Bikeathon on June 10. This is one of the non-professional events associated with the CoreStates race. If you have true moxie, you can do both.

We have been asked, and are asked again because of our club's reputation to get the job done efficiently and effectively. Our reputation depends on your participation. Please help. Contact N3FVI.

N3EAY

MINUTES

APRIL GENERAL MEETING

The April General meeting was called to order by W3UY at 20:12 hours. There were 30 members and 5 visitors attending. The visitors were N8JNY, Mike Romano, Ron Slattery, K3VXU, and N3GXG. KB3IV read the treasurer's report.

Membership committee - We have one application, Bill Isherwood, KA2VTR. The board will vote on him at the April Directors' meeting.

Special Events - N3FVI mentioned a bike tour that will be talking place on Sunday May 22. Paddlerama is also coming up, and anyone interested should contact Bill.

Technical report - W3BBB gave a demo of the working autopatch. The patch will be turned on after the Mid-Month meeting where the board will decide how the phone bills will be paid.

N3FVI opened the topic for the evening; it was Handy Talkies - the old and new. We had everything from Standard to Icom, Kenwood to Yaesu, even Motorola. The program was all about the different HTs that are available. Everyone was able to participate in the discussion. A grand time was had by all.

The meeting adjourned at 21:35.

Respectfully submitted; Brad Swanson, N3GLH, Secretary

MINUTES

APRIL DIRECTORS' MEETING

The April Mid Month meeting was held at the home of W3UY on April 18 1990. Present were W3UY, N3FVI, N3GLH, KB3IV, W3BBB, K3KUD, AK2I, W3IIM, W3IIN, K3GBA, N3DHI and W3AA. The meeting was called to order by W3UY at 20:15 hours. KB3IV read the treasurer's report.

Paddlerama - After some discussion it was decided that we would participate as long as there were 10 canoes or more.

Membership - The board voted on, and accepted, William Isherwood, KA2VTR as a new member.

Net report - At least one more person is needed to fit into the rotation.

Blurb - It was decided to remove the Swap and Shop Net and the Snowbird Net from the Blurb's inside cover.

W3TKQ - AK2I visited the station and decided that it needs considerable improvements. N3GLH made a motion

that was seconded by N3FVI and passed. The motion was "To continue to support and contribute what we can to W3TKQ in a noticeable fashion."

Repeater - The question of how to pay for the patch was discussed, including different types of phone service. It was decided to leave the patch open for the first two months and to evaluate the situation then. The code shall be available to all members by contacting anybody on the board of directors.

Mo-Com - Abington Township has looked at the van and likes it. Another meeting is to be announced.

New Business - We will have wine and cheese night as well as normal business at the November Old Timers' Night meeting.

The meeting adjourned at 22:04 and refreshments were enjoyed by all.

Respectfully Submitted; Brad Swanson, N3GLH, Secretary

PHONE PATCH INSTRUCTIONS

(Effective for two months from date of publication. Subject to change without notice.)

W3QV/R now has an operating phone patch. A trial period, until the June mid-month meeting, is on a pay-per-call basis. We will handle the accounting. No auto dial slots will be assigned until after the trial period.

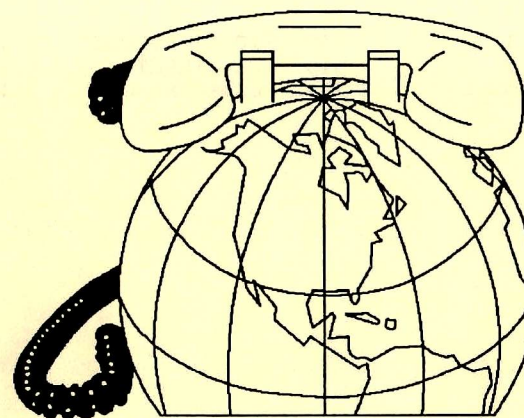

The temporary access code is 457, and the hang-up code is the pound (#) sign. Here is a typical patch: "W3ABC accessing autopatch" (drop carrier momentarily). Enter the access code followed by the called number: "457 555 1234", then drop your carrier. The controller replies "Autopatch", then reads back the number dialed, and proceeds to dial that number. (If you think that you've dialed incorrectly, you can immediately cancel the call by pressing the # key.) While it is dialing, you will hear a 'beep-beep-beep' cover tone. You'll hear a ringing signal and the phone is answered. (We suggest that you tell the called party that you are on an amateur radio patch to forestall any language slips.) When you have finished - and before you disconnect - sign your call, then disconnect with a single #. The repeater will time-and-date-stamp your call.

There are other refinements available, but they can come later.

You are encouraged to try the patch; you may someday need it in a hurry.

The *emergency auto patch* operates without the 'access code', and is activated simply by the prefix 911 followed by a fourth digit as defined below:
